

Collaboration and Assessment

Presenters:

Simona Granfol (Slovenia)

Peter Stöckelmeier/Wolfgang Ölzant
(Austria) via video conference

Collaboration and Assessment

This scenario was tested in AT, IT, SLO

What means collaboration:

- Within groups in a class
- Within two classes in a school
- Within schools in a region
- Within international schools??

Collaboration and Assessment

How to assess a group:

- Teacher assesses the students
- Students assess each other (who is responsible for the grade)
- Students assess and teacher has the last word

Collaboration and Assessment

Examples from Slovenia and Austria are presented

- let's discuss your experience at the end
- What scenarios have you used for collaboration and assessment

Collaboration and Assessment
