# WHAT CONTENT?

Adjust the syllabus planned

Integrate the syllabus with online resources available

Don't waste time recording your own video lesson, use online resources if available

Try to keep students' interest alive proposing motivating and involving topics

# Educational resources available online

# Give students an active role through CREATIVITY

Develop creativity  
through projects  
(personalised learning)

ICT: from simple  
PPT to videos

Some tools offer  
the SHARING  
feature to work  
in small groups

# FEEDBACK

Keep constant feedback from students

Ed Puzzle to monitor their  
watching of videos

Quizziz

Kahoot

## The big CHALLENGE

To keep students  
involved

To have everybody  
connected

## The big REWARD

To have an active role in  
this moment of crisis

To support students

United we stand!
