The screenshot shows the homepage of the Future Classroom Lab website. At the top left is the logo for Future Classroom Lab by European Schoolnet. To the right are social media icons for European Schoolnet, email, Twitter, and Facebook, along with a language dropdown menu set to 'English' and a 'Sign In' button. A navigation bar contains links for 'About / News / Directory / Toolkit / Training / Projects / Community / Search'. A blue dropdown menu is open, listing: 'Learning zones', 'FCL network labs', 'FCL ambassadors', 'Validation service', 'Partners', 'Participate', and 'Blog'. Below the navigation is a 'FCL Home' link. The main content area features a red sidebar for the 'Future Classroom Lab Blog' with the text 'Stories on innovative teaching from across Europe' and a 'Read more »' link. The central part of the page has a carousel of images, including a group of students in a classroom and a group of people at a coding fair. To the right of the carousel is a list of news items: 'Make learning accessible: workshop on Special Educational Needs', 'Hands-on coding faire in the Future Classroom Lab', 'Coding Jam @ the Future Classroom Lab and online', and 'Future Classroom Lab Open Day for regions', followed by an 'All news »' link.
