Pokémon GO - mobile gateway to online gaming

[Awareness](#) | [27/07/2016](#) | [BIK Team](#)

With not even a month passing since its launch on 6 July 2016, **Pokémon GO** has become the trending topic of the summer. Blastoise, Venusaur, Charizard and Pikachu have been reborn from the Nintendo generation into the online world that is now vibrating with alerts from the latest app from **Niantic Labs**.
